READ ALOUD TO START THE HUNT

Work Order from the Boss

Listen up, Construction Crew!

This is Foreman Fran, boss of the building site. Today is the day of the Big Build! But this morning a gust of wind whooshed through the site, and our blueprint blew into pieces. Without it, the diggers don't know where to dig and the cranes don't know what to lift!

My crew tracked down five blueprint pieces and marked each one with a rhyming riddle. Every riddle tells you where the next piece is hiding.

Good builders follow the safety rules: walk, don't run, work as a team, and shout "Beep beep!" every time you find a piece. Put the whole blueprint back together and the Big Build can begin!

Your first blueprint piece is attached. Hard hats on, crew!

Build it strong,
Foreman Fran
